NEWS

Parish Council: Following an introductory meeting after the establishing of a council in April, the new Parish Council had its first business meeting this last Monday. Many points were raised including several by parishioners and brought to the meeting by members of the council. This weekend you'll receive an information sheet showing all the members of the council with their photograph and contact details. Soon we will be introducing ways for you to be able to speak to members of the council after Sunday Masses if you have anything to mention or query. Monday's meeting looked at: communication, a core team to look to maintenance of the buildings, the new data protection guidelines, an idea to create a bereavement support group in the parish, the possibility of establishing a social committee to enhance the life of the parish. Thank you to the Parish Council who are generously giving of their time to help support the clergy and help the parish to grow.

Message from Deacon Fred: *Deacon Fred and his wife, Margaret and their family wish to express their gratefulness, firstly to the Bishop and the local clergy for their visits and support and then to all the people who have expressed their good wishes. Although I am making good progress the road ahead is likely to be long and difficult and so the continuation of your prayers and concerns would be appreciated.*
