Cathedral Players - where are they now? Many parishioners will remember the series of seven pantomimes staged by members of the parish in the late 90's/early 00's. Between 50-100 people got involved in putting on each of these shows to packed audiences (initially at the Wakeman School and later at Belvidere School). As part of the Parish Gathering on 16 June it is planned to include an exhibition of photos of the pantomimes and of the people involved. If you were one of those involved would you be willing to provide a photo of 'where you are now' (and indeed, any photos of the pantos themselves) for inclusion in the exhibition and perhaps in a feature in the proposed parish magazine. Contact Trish Coxhead 01743 361347 or ewjpcc@gmail.com.
